P604 Wireless

Dynamic Bluetooth 4.0 Headphones

Bass accented sound with clear trebles

Powerful basses and clear trebles intensify your music experience without neglecting clarity of sound. Enhanced neodymium drivers capture even the slightest nuances and play back your songs as richly faceted as possible.

Gently closing ear pads

Thanks to gently closing pads you only hear what you want to – without putting your ears under pressure. An adjustable headband exactly fits your head shape.

Ultra-lightweight on-ear headphones

The ultra-light design with no more than 142 grams makes the Bluetooth headphones all day long comfortable.

30 hours battery life

Thanks to the latest Bluetooth chipset you can listen non-stop music up to 30 hours.

Smart control with integrated microphone

Via NFC pairing the connection between the Bluetooth headphones to your devices is established within seconds. Enjoy your newfound mobility, listening to music and answering phone calls thanks to the in-built microphone and multi-functions buttons.
