# Z1-3D

## Monitor Arm with Gas Lift Technology

### 3D Monitor Placement

The Z1-3D monitor arm provides you a completely new sense of work at your screen. On top of the standard rotation, swivel and tilt, Z1-3D allows you to move your monitor in any direction.

### Ergonomic Seating Position

Pay attention to your health, also in the office. So the Z1-3D improves your ergonomic seating position through ideal alignment according to your individual eye level.

### Gas Lift Arm

Thanks to the gas-lift technology, your monitor can be easily and smoothly rotated, swiveled or tilted in any direction.

### Tidy Desk

Because of the cable management the interfering clutter is a thing of the past. The compact foot of Z1-3D let you win a lot of space on your desk.

### Powered USB 3.0 Hub

With the USB 3.0 ports in the foot of the Z1-3D you can easily connect up to four USB devices at the same time. You can easily use the ports for your mouse, USB stick or keyboard and even for charging your smartphone because of the powered hub.
